Extension of time line for re-issue of OCI cards until 31.12. 2021

The time line for re-issue of OCI cards by OCI card holders has been extended until 31.12.2021

The requirement of carrying old and new passports along with the OCI card has been done away with. Henceforth, the OCI card holders travelling on the strength of their existing OCI card bearing old passport number are not required to carry their old passport.

However, carrying of new passport is mandatory.

The above decisions have been made to ease the travel of such OCI Card holders required to get their OCI card reissued as per existing guidelines.
