

Ministry of External Affairs will launch website on Economic Diplomacy www.indbiz.gov.in today at 1830 Hrs (IST). The website will showcase India's economic, sectoral, and State-wise strengths that make for an attractive economic partnership. It aims to provide critical and relevant information on major economic indicators, central and state government policy updates as well as the latest business news and trade data.

2. The website would also include information on global mineral resource endowments, opportunities for agricultural exports and employment abroad for Indian nationals and businesses. The website will serve as a two-way funnel connecting Indian nationals, businesses and the States globally for enhancing exports, exploring employment and attracting foreign industry and business to India, especially the States.

3. The website will serve to connect investors to relevant agencies in India *APEDA, INDIAN TRADE PORTAL, INVEST INDIA*[https:// www.youtube.com/user/MEAIndia](https://www.youtube.com/user/MEAIndia)
